## FAQs

**HOW DID LEADACHILD GET STARTED?** Over 50 years ago, the Lord called Jim and Edie Jorns, Kansas farmers, to serve as agricultural missionaries in Guatemala. There they met a young girl named Gloria who was 10 years old but had never been to school. They raised support for her to be able to attend the Lutheran school. Jim and Edie continued raising support so other children could also go to school. Since Gloria, LeadaChild has provided scholarships for hundreds of thousands of children.

**BESIDES GIVING THEIR OFFERING, HOW CAN MY STUDENTS BE INVOLVED WITH LEADACHILD?** When you visit our website, [www.leadachild.org](http://www.leadachild.org), you can click on our “Where We Work” tab to see the countries where we have project sites. You might consider choosing a country and studying what life is like there. You might try making food from that area, having children give reports, etc.

**CAN MY STUDENTS TALK TO ANYONE FROM ONE OF THE COUNTRIES?** Depending on how many requests we receive and the country you would want to hear from, arrangements can be made for a virtual connection via Zoom or platform of your choosing. Choosing one of our Latin American countries might improve your chances of making this kind of arrangement.

**HOW CAN I GET MORE STICKERS FOR MY STUDENTS?** Stickers are available for a small fee. Email Lisa Hellyer, Director of Engagement & Outreach at [lisa@leadachild.org](mailto:lisa@leadachild.org). Information on pricing is available on the Resources tab and then at Hearts for Jesus.

**WHERE DO THE COIN PURSES COME FROM AND CAN I GET MORE?** Our coin purses are handmade by the women at one of our project sites in Guatemala. The cost to make each one is \$2. Coin purses are in very limited supply due to not being able to travel at this time. We are willing to share these with you for a suggested donation of \$2 plus shipping. To order or to check availability, email Lisa Hellyer, Director of Engagement & Outreach at [lisa@leadachild.org](mailto:lisa@leadachild.org).

**HOW DO WE REGISTER FOR THE RUN4ACHILD EVENT?** When registration opens we will be getting the word out through our website and through the Pacific Southwest District office. Children in our Latin American schools will be joining us in the fun!
