Enabling children in 3rd world countries to attend a Lutheran school

Dear Parents,

Your child's Lutheran school in North Wisconsin is participating in the Hearts for Jesus program this year, collecting a portion of their 2022/23 weekly chapel offering and sending it to **LeadaChild**, an international educational ministry that exists to *share the love of Jesus with children around the world through Christian education*.

For over 50 years, **LeadaChild** has been supporting Lutheran day schools, afterschool programs, and educational outreach ministries. We are currently serving educational ministries in 16 countries around the world. We send funds to support **student scholarships, teacher salaries, and school supplies**. We are also intensifying our efforts to provide international educators with ongoing **professional development** and training in effective ways to share God's Word with children.

By assisting your child(ren) with plans to share a special offering with **LeadaChild**, you are teaching them about the importance of spreading the Gospel and getting involved with God's mission to share the wonderful message of new life found in the Bible.

Our theme this year is "**Teach us to Pray**" (Luke 11:1)

Our goal is that thousands of children around the world will learn to confidently call upon their Lord as they hear of a Heavenly Father who loves them, a Savior that has rescued them from sin and death, and a Spirit that fills their hearts with faith, hope, and eternal life!
