Enabling children in 3rd world countries to attend a Lutheran school

Dear Parents,

Your child's Lutheran school is collecting a portion of their 2026/27 weekly chapel offering and sending it to **Leadachild**, an international educational ministry that exists to *share the love of Jesus with children around the world through Christian education.*

For over 50 years, LeadaChild has been supporting Lutheran day schools, afternoon educational enrichment programs, and educational outreach ministries. We are currently serving educational ministries in 15 countries around the world. We send funds to **support student scholarships, teacher salaries, and school supplies.** We also provide international educators with ongoing **professional development** and training in effective ways to share God's Word with children.

By assisting your child(ren) with plans to share a special offering with LeadaChild, you are teaching them about the importance of spreading the Gospel and getting involved with God's mission to share the wonderful message of new life found in Christ.

Our theme this year is **"Treasure Hunters"** (*For the Son of Man came to seek and save the lost - Luke 19:10*). Special chapels have been created so that your children can learn about Jesus, the greatest treasure hunter, and learn how they can be His ambassadors who share His love and tell of His gifts of forgiveness and grace.

Our goal is that thousands of children around the world will learn to confidently call upon their Lord as they hear of a *Heavenly Father* who loves them, a *Savior* that has rescued them from sin and death, and a *Spirit* that fills their hearts with faith, hope, and eternal life!

GOD BLESS!
